SAFETY REGULATIONS

The use of fire is not allowed in Beursschouwburg, this includes no candles or cigarettes.

The emergency lights in the building are essential for a safe evacuation and can never be turned off or blocked.

The stair lighting of the tribune in the golden space can never be turned off during a performance.

All textiles used on stage should be accompanied by a fire safety certificate.

Please respect the legal sound limit of max 100 dBA (leq 60 min) and 115 dBC (leq 60 min) at FOH.
